Ministry & Travel Information

I hope this packet helps you get to know a little more about me. I would love to partner with you to reach your congregation, ladies group, or whatever the need may be. Please contact me if you have any further questions or if there is anything I can help you with. Below is a little information that will help you as you prayerfully decide what God would have you do.

-I travel on a love-offering basis.

-I am a credentialed minister and a vocalist. Typically, when I do a service, I enjoy singing and speaking, incorporating the two together. However, if you prefer just one or the other, feel free to let me know and I am happy to accommodate whatever you need.

-My husband travels with me and handles my sound. He usually runs my sound with the assistance of the church soundman.

-If lodging is needed, only one room would be necessary. Preferably a room with a King bed.

-Travel Expenses: The travel expense is determined based on that particular event and our mode of transportation. If we drive, then reimbursement for fuel, food, and any lodging incurred to get there would be great. If we have to fly there, then airline tickets would have to be purchased. We never want travel to be a hindrance to having us, so please let us know what you can or cannot do. We will do everything we can to make it happen.

- I have CD's to make available, so we need a small table in the foyer to display those items.
